Shock waves from airplanes....Apr. 1 e100
Spain
Contractors named for bases (map) ....Jan. 14 *23
Engineer and contractor groups chosen ....Jan. 21 e80
Work to start by June....Feb. 4 23
Washbourne upgraded in AF....Apr. 8 *66
Air conditioning—Denver's Mile High Center exterior dictated by air conditioning system....June 24 (F) *32

Air Pollution

Air pollution amendment to housing bill ....Apr. 1 27
City officials push for tax write-off on air pollution abatement facilities ....Apr. 29 24
Research urged for pollution control ....May 13 26
Air Pollution see also Smoke Abatement

Aluminum

Australia plans to harness hydroelectric power for aluminum production ....May 27 53
Canada's Kitimat-Kemano project—first cargo carried 5,700 miles by sea ....June 3 24
N. Y. office building with aluminum exterior ....June 17 *23
Tie-beam construction simplified with aluminum forms ....May 27 *35
American Concrete Institute—50th birthday marked by program on new problems. W. G. Bowman....Mar. 4 (F) 23
American Institute of Architects—86th annual convention: F. S. Merritt ....June 24 (F) 25
American Institute of Steel Construction conference ....Apr. 22 24
American Institute of Timber Construction meeting, New Orleans—sets standards ....Apr. 8 23
American Railway Engineering Assn. meetings ....Mar. 25 *27
American Road Builders Assn. meeting ....Jan. 14 (F) *25
American Society for Testing Materials 57th annual meeting. J. R. Carr ....June 24 (F) *27
Wood pole research program....Apr. 1 53
American Society of Civil Engineers Board to hold bid hearing....June 24 24
Dues raised ....June 17 27
Spring convention ....June 24 (F) 23
Structural Division meeting, Kansas City ....May 20 27
To probe bidding for engineering services ....Feb. 25 21
Unionization of engineers. Mar. 18 (F) *21
American Water Works Assn.
Interview with President D. L. Maffitt—how to attract engineers to careers in waterworks ....May 20 *74
Meeting spotlights integrated water systems, radioactivity....June 3 25
